License Grant

Firwood Software (the "Licensor") hereby grants the OpenTK Project (the "Licensee") a royalty-free, non-transferrable, non-sublicensable, worldwide, non-exclusive, perpetual license (the "License") to use, modify, and redistribute AdvancedDLSupport (the "Library") in the OpenTK library ("OpenTK") under the provisions of the Lesser General Public License, version 3, with the following exemptions:

- The Library may be freely linked (statically or otherwise) to by OpenTK, without requiring OpenTK to carry the same license as the Library
- The Library may be freely redistributed by the Licensee in source or binary format, both as an individually separate component and statically linked component by OpenTK, without requiring OpenTK to carry the same license as the Library

This License grant is granted to the Licensee only, and not its users, sublicensees, or consumers (the "Users"). Should OpenTK Users wish to use the Library independently of OpenTK, they are subject to full Lesser General Public License, version 3 (or another custom licensing agreement, if applicable). Independent use includes, but is not limited to, any usage of the programming interfaces, binary code, source code, or functionality (the "API") of the Library that is not exposed as a direct result or requirement of using OpenTK.

This copyright notice must be distributed with OpenTK wherever appropriate, such as license disclosures or existing license terms.

The License can be revoked by the Licensor at any point for any reason by written notice to the Licensee, provided that the Licensor notifies the Licensee of the intent to revoke at least six months prior.

Signed,
